

iconectiv Continues NPAC Onboarding for Service Providers, Service Bureaus, and Providers of Telecom-related Services

PISCATAWAY, N.J. – November 15, 2016 – iconectiv, the next Local Number Portability Administrator (LNPA) for all U.S. regions, continues registration for Service Providers, Service Bureaus, and Providers of Telecom-Related Services for the new Number Portability Administration Center (NPAC).

All Service Providers, Service Bureaus, and Providers of Telecom-Related Services can now register with iconectiv by going to the NPAC transition website, www.numberportability.com. The site also includes a presentation that provides a review of the documentation required for registration with the iconectiv NPAC, steps users should take to prepare for the registration, how to get started using the new iconectiv NPAC website, and what NPAC users need to know regarding the transition..

Registration for other user groups including Law Enforcement, Public Safety Answering Point Providers, and users of the Wireless Do Not Call service will be announced as the onboarding moves forward. For updates and more information, visit the new transition website.

About iconectiv

At iconectiv, we envision a world without boundaries, where the ability to access and exchange information is simple, secure and seamless. As the authoritative partner of the communications industry for more than 30 years, our market-leading solutions enable the interconnection of networks, devices, and applications for more than one billion people every day. Working closely with private, government and non-governmental organizations, iconectiv has intimate knowledge of the intricacies and complexities of creating, operating, and securing the telecommunications infrastructure for service providers, regulators, enterprises and content providers. iconectiv provides network and operations management, numbering, registry, fraud and revenue assurance and messaging solutions to more than 1,000 customers globally.

Telcordia Technologies, Inc. is a U.S.-based company doing business as iconectiv. For more information, visit www.iconectiv.com.
