

Members are Required to Register with the New iconectiv NPAC: Here's How

iconectiv, the next Local Number Portability Administrator (LNPA) for all U.S. regions, is currently registering Service Providers, Service Bureaus, and Providers of Telecom-Related Services for the new Number Portability Administration Center (NPAC). Registration can be accessed at the NPAC transition website: www.numberportability.com.

Registration includes the completion and execution of a Non-Disclosure Agreement (NDA), a Transition User Application (TUA), and one or more Regional User Agreement(s) (RUA). Details on the transition schedule, and the registration process, along with instructions on how to get started, can be found at numberportability.com. All NPAC users are required to register and are encouraged to start the registration process as soon as possible.

Those with questions regarding the registration process, can contact the Help Desk at 844-820-8039 between the hours of 8am and 8pm ET or email at npac@iconectiv.numberportability.com.
