

iconectiv to Host Testing Webcast for Service Providers, Service Bureaus, Providers of Telecom-related Services

PISCATAWAY, N.J. – March 8, 2017 – iconectiv, the next Local Number Portability Administrator (LNPA) for all seven U.S. regions, continues to move forward with the transition of the new Number Portability Administration Center (NPAC) and is preparing to begin the testing phase of the transition for Service Providers, Service Bureaus, and Providers of Telecom-related Services.

Preparations for the Industry Testing phase will kick off with a webcast on March 15, 2017 at 3:30 pm ET during which the overall Industry Test Plan will be reviewed. [Registration](#) for the webcast is now open for all interested NPAC users.

Registration with the new iconectiv NPAC must be completed before an NPAC user can begin testing. To access the NPAC registration materials or for updates on the testing and training schedule, Service Providers, Service Bureaus, and Providers of Telecom-related Services can visit: www.numberportability.com.
