

Registration to iconectiv NPAC Now Open for Telemarketers

PISCATAWAY, N.J. – March 28, 2017 – iconectiv, the next Local Number Portability Administrator (LNPA) for all seven U.S. regions, will take the next step in the transition to the new Number Portability Administration Center (NPAC) with the registration of businesses that engage in telephone marketing and rely on number porting data thru the NPAC.

Registration for those who use the Intermodal Ported Telephone Number Identification Service of the current NPAC, known as the Wireless Do Not Call (WDNC) service, will begin today, Tuesday, March 28, 2017 and is free.

Direct users of the NPAC and resellers who purchase the service are required to register. These users can request the registration form by visiting the NPAC transition website, www.numberportability.com. Customers who purchase WDNC service through a reseller will be given registration details on a future date.

For more information visit www.numberportability.com/transition/telemarketers or contact iconectiv at WDNC@iconectiv.numberportability.com or 844-411-WDNC.

About iconectiv

At iconectiv, we envision a world without boundaries, where the ability to access and exchange information is simple, seamless and secure. As the authoritative partner of the communications industry for more than 30 years, iconectiv realizes this vision for more than two billion people every day by providing market-leading solutions that enable the interconnection of networks, devices, and applications. Working closely with private, government and non-governmental organizations, iconectiv continues to protect and secure telecommunication infrastructures for service providers, governments and enterprises, while providing network and operations management, numbering, registry, messaging and fraud and identity solutions to more than 1,200 organizations globally. For more information, visit www.iconectiv.com.
