Carriers will implement LNP by a date set in a Letter and Stipulation which is not public. Following is some of the public portion of the Letter and Stipulation Agreement: Language of PUC Order: The Parties agree that the Commission shall modify each Petitioner's obligations under Section 251(b)(2) with the following language: Petitioner's obligations under 47 U.S.C. § 251(b)(2) are modified pursuant to 47 U.S.C. § 251(f)(2) so that Petitioner will be obligated to port numbers only to wireless carriers or interconnected VOIP providers that obtain NANP telephone numbers through a wireless carrier (a) directly connected with Petitioner; (b) indirectly connected to Petitioner through an EAS arrangement that Petitioner has with another ILEC, where both the Petitioner and ILEC agree to the use of the EAS arrangement; (c) indirectly connected to Petitioner through the SDN tandem in Sioux Falls, via SDN's facilities; or (d) indirectly connected to an ILEC's local calling area through a direct connection to a different local calling area. When Petitioner is indirectly connected to a wireless carrier or an interconnected VOIP provider that obtains NANP telephone numbers through a wireless carrier, the payment of any charges associated with the transport of calls to numbers ported to the wireless carrier or interconnected VOIP provider will be determined pursuant to the mechanisms provided for in the Communications Act. Any other requests for relief are hereby denied. This shall constitute the final decision in this matter and upon the effective date hereof, Docket No. 08-006 through 08-027 shall be closed. 10/21 PUC approved the stipulation with the caveat that the implementation dates for each company be listed in an addendum in the PUC order, thereby being made	None	Docket Closed	2/10/09
