

# WIRELESS TESTING SUBCOMMITTEE (WTSC) MEETING MINUTES January 29, 2004

## Meeting Bridge

- The bridge has changed. Reoccurring bridge is: 1-888-899-2444 ID 957539 (follow prompts carefully)

## Co-Chair Nominations and Elections

- WTSC is looking for companies who could offer a person to co-chair the committee. Nominations are needed to elect two WTSC co-chairs.
- Currently Julie Groenen is facilitating WTSC meetings in the absence of co-chairs. Julie can be reached at 425-603-2282 (pbx) and by e-mail at [Julie.Groenen@Verizonwireless.com](mailto:Julie.Groenen@Verizonwireless.com)

## Carrier Participation Letter

- The draft letter was reviewed and agreed to. However, after feedback from WNPO co-chair regarding NANC requirements, the letter is in need of review by the WTSC on Feb. 5<sup>th</sup> call.
- Maggie Lee is still working on an organization list we can send the letter to.
- Feb. 5<sup>th</sup> discussion could include how we might snail mail the letter to get more attention to it.

## Interoperability Testing

- The team discussed that perhaps WTSC will want to make a recommendation for this type of testing for WICIS to occur with future WICIS releases. NPAC & SOA vendors go through this type of testing today Issue will be discussed Feb. 5<sup>th</sup> and if WTSC adopts recommendation presented to WNPO and OBF Wireless Workshop for discussion. Jean Anthony to the action item to write up something for WTSC discussion next week.

## Test Schedule & Reporting Results

- Carriers should review and give input on how they would like test results recorded. Will be discussed next week.
