

WIRELESS TESTING SUBCOMMITTEE (WTSC) MEETING MINUTES March 18, 2004

Topics:

- 1) Action Item & Agenda Review (walk-ons welcome)
 - a. Julie to post test schedule to website

- 2) Long-term swap of test #'s / Clean up of 11/24 test numbers
 - a. Some companies will check into swap of permanent test #'s in top 100 MSA's
 - b. Companies reminded to check if 11/24 test #'s have now snapped back

- 3) Test Schedule & Reporting Results – template spreadsheet
 - a. Please send to WTSC Co-Chair

- 4) Production Round Robin prior to 5/24.
 - a. US Cellular, Sprint PCS & VZW are interested, would like smaller carriers.
 - b. Would be hard to find a city since smaller carriers are only in limited places, maybe a medium size city like Boise, ID or Madison, WI,
 - c. Thought is to have each of larger carriers facilitate a Round Robin in different cities.
 - d. **Action item:** Come back with possible locations to do round robin
 - e. Western Wireless would be interested in a round robin in any of the following cities and said they would reach out to small carriers there and see if they have interest:
 - i. Billings, MO
 - ii. Fargo, ND
 - iii. Lubbock, TX

- 5) Standing item: Co-Chair Nominations and Elections – any co-chair willing?

- 6) **New Item:** WTSC participants decided to hold a 2 hour Testing Kick-Off call for small carriers at the April 1st meeting (extended to 2 hours). The idea is to walk through existing information from the industry testing plan already put together by WTSC. Other topics to be submitted as well by WTSC members to WTSC Co-Chair (submit ideas to Julie.Groenen@Verizonwireless.com). Topics include the following:
 - a. Opening codes
 - b. Inter-carrier testing: Test Scripts, Test Dates, Test Market & Test Data (# of TN's)
 - c. Test Solution: Automated or Fax
 - i. If automated then type of connectivity (VPN, T-1, etc)
 - d. Test Environments- Production or Test
 - e. Network Call testing (including 911) – exchange of test numbers for this purpose
 - f. Q & A for small carriers

One vendor on the call indicated they would publicize the kick off call to help get small carrier participation.
