

WIRELESS TESTING SUBCOMMITTEE (WTSC) MEETING MINUTES

Topics:

- 1) Action Item & Agenda Review
 - Action items were reviewed, see updated action item list for updates.
- 2) What are carrier test efforts for TSI/Telcordia 4.2.1 release- any partnering needed?
 - a. A few carriers on the call reached out to each other to look at testing this vendor release.
- 3) Test Environment testing for future vendor releases
 - a. Sprint PCS & VZW – will test internally and would reach out to any of trading partners if needed.
 - b. In general WTSC agrees this is the process carriers will use, test internally and then reach out to a specific trading partner or a few of them if desired.
- 4) Test Environments planning to be used for 5/24 launch?
 - a. Most carriers planning on production and some smaller carriers planning test environment for at least the first few tests, then production. You will need to check with your chosen test partners for their preference.
 - b. Reminder to get NPAC certified if you are not going through a service bureau or clearinghouse.
- 5) Release schedules by the vendors
 - a. Vendors to come to next call to discuss. Julie to reach out to vendors.
- 6) Nuestar 3.2.2 release – do carriers need to ramp up inter-carrier test environments?
 - a. Neustar is planning a Round Robin group test for May 3rd in test environment for the technology migration. Janice James at Neustar is organizing.
 - b. You can sign up to be a part of this test at:
 - Type in <http://lists.neustar.biz>
 - Click on link “mailing lists hosted on this server”
 - Click on “Crossreg” link
- 7) Long-term swap of test #'s / Clean up of 11/24 test numbers
 - a. Held till 3/11 meeting.
- 8) Test Schedule & Reporting Results – template spreadsheet
 - a. Julie sent out a template, carriers are asked to fill in their test dates and result as “Complete”, “In Progress” or “Incomplete”.
- 9) Confirm structure of WTSC long-term for future WICIS releases
 - a. All were ok with this as last discussed – that post 5/24 have WNPO members reach out internally to provide test contacts as needed for future WICIS releases. Idea is to verify with group again as agreed to be able to close this item.
 - b. Address 3/11 – ran out of time.

- 10) Standing item: Co-Chair Nominations and Elections – any co-chair willing?
 - a. Address 3/11
- 11) Production Round Robin prior to 5/24
 - a. Address 3/11.
